

Ironmongery Product Guide

‘Leading the Way’ for the supply of ironmongery and associated products to housebuilders across the UK.

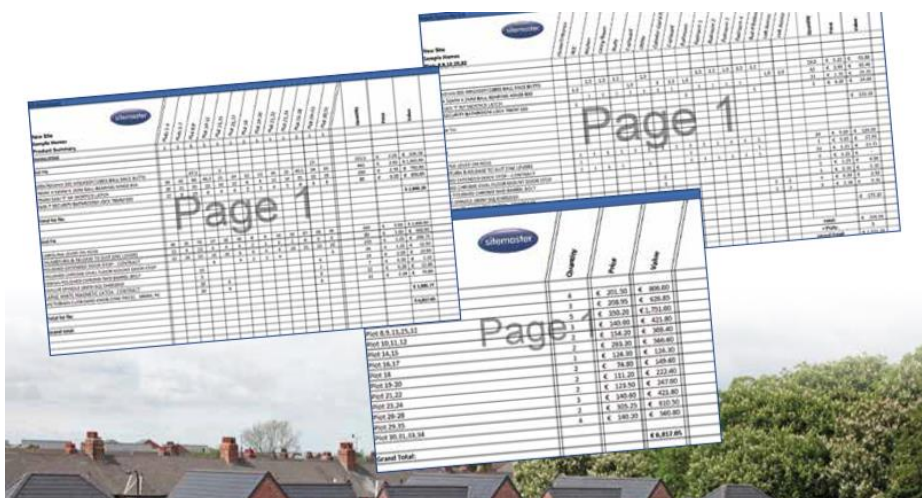

IRONMONGERY

Sitemaster Supplies are an industry leading ironmongery distributor to housebuilders, carpentry contractors and building contractors across the UK. We are dedicated to providing our customers with the highest levels of service including:

Free Ironmongery Scheduling Service – We offer a comprehensive scheduling service and provide a full breakdown of ironmongery.

As GAI (Guild of Architectural Ironmongers) Full Members, we ensure we provide the most accurately prepared schedules as possible.

We have our own unique schedules that provide the most comprehensive information as well as being concise and easy to use.

Next-day deliveries where possible – We pride ourselves on service and we ensure goods are delivered on time and are clearly labelled for easy site identification.

Deliveries in Plot Lots for First and Final Fix – We can supply deliveries in plot lots or split into first and final fix. The choice is yours.

Friendly and extremely knowledgeable staff – Our staff are our strength and we know that providing you with accurate, prompt and courteous attention is key to success.

On-site technical service – If you require extra technical support, we can visit you at your offices or on site to ensure you get exactly what you are looking for.

We stock and supply a huge range of ironmongery and can supply products from the most popular manufacturers as well as some not so well known makes. We have categorised the products below and have provided links for each of the manufacturers products we supply. This will hopefully enable you to find exactly what you are looking for.
