Sitemaster Supplies are the supplier of choice to many housebuilders across the country. Our unique range of products along with our fantastic customer service team, gives us the edge over our competitors.

Our products

Ironmongery – full scheduling service, plot pack deliveries, huge stocks

Cycle Storage – Multi bike racks, shelters, stores and loads more

Loft Traps/ Access Panels – Full range from Access Building Products, Timloc, Manthorpe

Ecology Products – Comprehensive options of habitats for Birds, Bats, Insects, Hedgehogs and Rodents

Entrance Canopies – Products available in GRP, Polycarbonate and Glass. Full technical support

Fire/Wayfinder Signs – Standard and bespoke products available. Full scheduling service available.

Mailboxes – Complete range including a full technical service.

HA Products – Our Greenmaster range includes, water butts, indoor and outdoor driers, mirrors, toilet roll holders, towel rails and much, much more.

We have also become a go to supplier for the hard to find products or those that require ordering when our customers have no account in place with the supplier.
